

CUVÉE MP COLLECTION

TASTING

With its intense golden hue, the SPIRIT MP COLLECTION reveals a precise and elegant nose, dominated by fresh white fruits, such as pear and yellow-fleshed apple, complemented by delicate citrus notes. With aeration, subtle aromas of brioche and fresh bread emerge. On the palate, the attack is smooth and harmonious, carried by a well-integrated freshness and ripe, expressive fruit, with a distinctive chalky, mineral character reflecting the Montgueux terroir. The finish is long and saline, marked by refined citrus bitterness that brings tension and precision. A cuvée defined by finesse, freshness and balance, expressing the character of Chardonnay from Montgueux with great clarity. Ideal as an aperitif, it pairs beautifully with oysters, shellfish and seafood, as well as scallop carpaccio, simply cooked langoustine, or more refined dishes such as lobster and roasted turbot.
