

CUVÉE N°1

MADE FROM THE FIRST JUICE OF THE PRESS

TASTING

Produced from the 2020 vintage, a sunny year that allowed the grapes to reach excellent ripeness while preserving remarkable freshness, this Champagne combines power, finesse and elegance. Its pale golden colour with green highlights is enhanced by a fine and persistent effervescence.

The nose reveals an elegant saline character reminiscent of oyster shell, complemented by notes of butter, cream, fresh apricot, citrus fruits and delicate pastry nuances. On the palate, the attack is vibrant and precise, driven by flavours of lemon and lime zest. The long and harmonious finish is distinguished by its freshness, minerality and beautiful salinity, hallmarks of the great Chardonnays of Montgueux.
