

CUVÉE ROSÉ

ASSEMBLAGE

TASTING

With its bright raspberry-pink colour, the Cuvée Rosé Brut charms with its fresh and fruity character. The nose reveals delicate aromas of fresh strawberry and raspberry, complemented by subtle notes of white flowers and citrus fruits. On the palate, the attack is lively and generous, carried by a refreshing freshness and a lovely intensity of fruit. The finish is saline and slightly iodised, bringing balance and elegance to the wine. A fresh, refined and fruit-driven rosé, equally enjoyable as an aperitif or paired with food.
