

CUVÉE SPIRIT

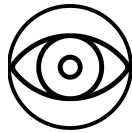

TASTING

Crafted from the chalk-rich soils of Montgueux, SPIRIT reveals the elegance and purity of Chardonnay. Its intense golden colour with white-gold reflections opens onto a refined nose of white flowers, fresh citrus and delicate pastry aromas intertwined with notes of yellow and white fruits. The palate is vibrant and fresh, lifted by a fine, persistent mousse and leading to a generous, balanced and subtly mineral finish. Perfect as an aperitif, it also pairs beautifully with seafood, shellfish and refined marine-inspired dishes
